Chairman Bridges and Ben Scott requested that any updated information from the County attorney's office regarding the alcohol ordinance be brought to the next alcohol board meeting. If James Davis has the information he can update the Alcohol Board Commission or the County attorney will be asked to be present to answer, clarify or give an opinion on questions regarding the alcohol ordinance. Chairman Bridges and Ben Scott would like to understand the legalities in order to protect the Alcohol Board Commission.

Ben Scott asked if an applicant can be approved by the Alcohol Board Commission after being rejected by James Davis, Zoning Administrator.

Chairman Bridges shared with the other board members that as the County continues to grow, more businesses will be applying for alcohol licenses. Chairman Bridges thinks this might be a good time to review the ordinance regarding servers.
